Ms. Lynn S. Carrier, (00)
Acting Executive Director
West Los Angeles VA Medical Center
11301 Wilshire Blvd.
Los Angeles, California 90073

Dear Ms. Carrier:

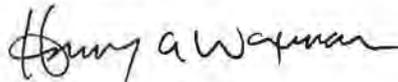

I have recently been contacted by some constituent groups who have expressed concerns over the proposed medical research park at the West Los Angeles VA Medical Center.

I would appreciate it if the VA would arrange a forum where my constituent's concerns can be raised and addressed. I believe an open discussion about the VA's plans will be helpful in facilitating the development of this project.

Lisa Ellman in my district office will be happy to work with you to identify the appropriate groups to invite and to be present at the forum.

Thank you for your assistance with this matter and I look forward to hearing from you.

Sincerely,

HENRY A. WAXMAN
Member of Congress
